As the second term comes to an end, all parents will have received their child’s progress report for Semester 1 by the last day of school.

Hopefully, many of you will have noticed the change to the report format. As the Senior Executive in charge of the Assessment and Reporting Team I have implemented a number of changes in this area. Last year the Team invested a considerable amount of professional learning on the development of Assessment Tasks that require the students to engage in substantive communication and provide explicit criteria, while empowering the teachers to provide quality feedback.

The impact that this is having on the student body at Muirfield High School was evident through the recent HSIE review, where feedback was acknowledged as a powerful tool by our Year 11 and 12 students.

Last year the Assessment and Reporting Team consulted with parents on developing reports that provided a greater picture of each student’s performance in each course. The most significant changes have occurred with the Year 11 and 12 reports which provide a clearer understanding of the students progress compared to their peers, as well as areas of current strength and challenges with their learning.

The new senior reports display the Course Performance and the Overall Achievement for each student. The Course Performance area of the new Senior report format highlights the students course mark, course average and course rank. The Overall Achievement identifies the overall grade that that student has achieved during the semester and the number of students who have attained these grades within that course.

From the P&C President

Semester 1 Reports

Procedure for Late arrivals

All students arriving to school after 8.25am must sign in at the student counter where they will be issued with a late note.

All late arrivals are required to have a note from their parent/guardian giving reason for being late.
Muirfield High School
Year 11
Semester 2 2013

Teacher:

Course Outline
The Year 11 course in Semester 1 introduces students to the following areas of study - "A Local Ecosystem" and "Patterns in Nature". In these courses, students study diversity, environments, relationships, cells, systems, and growth. Positive values and attitudes are emphasised in these areas of study.

Course Outcomes
- Demonstrates knowledge and understanding of scientific information and concepts related to the topic areas studied.
- Plans and conducts scientific investigations in an appropriate and safe manner.
- Researches set problems using a range of secondary sources as required.
- Communicates effectively in written and verbal form using appropriate terminology.
- Works effectively individually and as a member of a team.

Course Mark

Course Mark: 69
Course Average: 64
Course Rank: 18

Comments and Recommendations
has maintained her commendable standard of work this semester. She has a sound knowledge of the course content. Needs to develop skills in the application of detailed content specific to the questions in examinations and assignments, to achieve the outcomes at a higher level.
The most recent feedback from the P & C and wider parent body was overwhelmingly supportive of the new format and the quality of the information that the reports offered. Emailing of a digital copy of the report home has also proven to be successful and well received by parents and the wider community. Thank you to all parents who have provided us with feedback on the changes and thank you also for your patience as we address the glitches that have occurred in the move from print to an electronic system of reporting.

The Junior Year 7 – 10 reports for Semester 1 will be outcomes based, with the Assessment and Reporting Team working extensively with teachers to provide the same level of information for Year 9 and 10 reports in Semester 2. All Year 7 - 10 reports will be emailed home in a digital version, apart from the Year 10 Yearly report where a hard copy will also be provided.
Year 12 Trials

Year 12 students have been undertaking their Trial Examinations during the last two weeks of this term. Conducting the examinations in Term 2 allows students to complete them before having a well deserved two week holiday. It is anticipated that this time can be used for focusing on preparation for the HSC, while providing the students who are completing major practical tasks, time to prepare for their assessments in Term 3. At Muirfield High School over 50% of our students are required to complete one or two major works for presentation, marking and display in Term 3 in Dance, Drama, Industrial Technology - Timber, Visual Arts, Society and Culture, English Extension 2 and Music.

The stress of major works was a reason we placed HSC Trials in Term 2. The Executive will review this placement of Trial Examinations on the Assessment and Reporting Calendar early in Term 3. Any feedback from parents of Year 12 students with reference to their experience of the placement of the Trial Examinations can be forwarded to myself for review.

Sporting News

At the recent Zone Athletics Carnival Muirfield High School students performed beyond expectation and we are currently sitting in second place overall, narrowly behind Castle Hill High School, a larger school of almost 500 more students than Muirfield.

The key to Muirfield High Schools success is not only the efforts of Ms Nettle and Mr Edmondstone to ensure that we have competitors in each and every event, it is also the enthusiasm of all of our students and their desire to participate and try their very best. It is exciting to see the efforts of both the sports organisers and the student being rewarded on the overall points tally. We look forward to seeing more of our athletes in action on the final day of competition.

Rugby

Again Muirfield High School student are being rewarded for their effort and participation. In 2013 the 15’s Rugby team that entered in the Metropolitan North West Sport Zone competition finished in 5th place overall, narrowly missing out on a place in the semi-finals. This year, with excellent coaching by Mr Read, regular training and a desire to play to the very best of their ability, they have taken the Open Competition by surprise.

Currently they are in second place, with only Epping Boys High School sitting ahead of them. When you consider that Epping Boys have 180 students in each year group to select an Open Rugby team from and we at Muirfield High have only 65 boys in Year 11, with 18 of them playing in the rugby team, it is fantastic achievement.

The 14’s Rugby team is also playing excellent rugby and are in third place in the competition. A marked improvement from this team has been noted every week. After losing many of their early season games to Randwick and Homebush by almost 50 points, they have trained hard
and played quality rugby to reduce the score lines significantly to only narrow margins. Their most recent loss to Randwick was 24 – 17, and remarkable effort considering the early season games.

We eagerly await both teams semi-final games in Week 1 of Term 3 and hope that they are only one win away from a Grand Final appearance. Good luck to the boys!

Red Shield Appeal

This term 9 of our students participated in the 2014 Red Shield Door Knock Appeal and raised over $1000 from the local community for the charity organisation that does a wonderful job in assisting the needs of many not so lucky families and individuals. We at Muirfield High School would like to acknowledge these students for their dedication and service to the community in raising the much needed funds for this charity organisation.

Muirfield High School’s participating students are Joanne Allen, Stephanie Frankcombe, Emily Gardiner, Ashleigh Hokin, Amelia Napier, Sophie Tims, Chloe Von Brandis-Martini, Terrell Walters, and Rhiannon Wilcocks.

North Rock Public School New Security Fence

You may have noticed that North Rock Public School has a new security fence. The Relieving Principal of North Rocks has asked that I let our community know that the gate at Don Moore Reserve will be locked. Please remind your child not to use the primary school as a thoroughfare. If students are found on the primary school grounds they may be asked to leave unless they are collecting a sibling. I know those students will be on their best behaviour and will not take a group of friends through the primary school.

J. Reeves, Principal

Please do not drop your children off in the school car parks. There are deliveries and staff accessing the car park at different times during the day and the access is very narrow. For the safety of the children do not use the car park as a drop off or pick up point unless called to collect a sick or injured child.
From the P&C President

P&C Meeting: Thank you to everyone who attended our June meeting. I’m sure you will have appreciated Ms Macintosh’s passion for her subject! It is great to see and hear what is going on in our children’s classrooms. Our next meeting is not until August as School Holidays fall when the July one would normally happen. At the August meeting we will have a presentation from the HSIE faculty. I hope you can join us.

Next Meeting - Wednesday 13 August 7.30pm
Muirfield High School Staff Common Room

Working Bee: Thank you very much to the small, energetic team of volunteers who attended the last working bee. If you have been up to school lately you will notice that they were able to spread about half of the huge pile of mulch left from the trees that were removed.

Working Bee - Saturday 9 August 10am - pm
Bring wheelbarrows and gloves!

Fundraising BBQ - A BBQ and cake stall to raise much needed funds for Muirfield has been booked. Please put the date in your diary and use the link below to put your name on the roster to help. If you can’t make it on the day, but you can bake cakes please bring them to school on Friday 25 July or directly to the stall.

Sunday 27 July
Shifts from 8 am until 4 pm
North Parramatta Bunnings
https://docs.google.com/spreadsheet/ccc?key=0ArjVP3yermuDdFFo1r0w2bExLVEtCTHAX9Zfd2c&usp=sharing

Money Tree Raffle Ticket Sales - As part of the fundraising BBQ to be held at Bunnings, the committee has organised a money tree (a jewellery tree with over $100 worth of scratchies attached) to raffle. The winner will be drawn by a Bunnings employee at the conclusion of the BBQ. However, we will also be selling tickets outside Kmart at Westfield North Rocks on the weekend before. If you would like to purchase tickets, please visit our volunteers! If you would like to volunteer an hour of your time to help sell tickets please follow the link below to put your name on the roster.

Saturday 19 July and Sunday 20 July
Shifts from 9am until 5pm
Westfield North Rocks
https://docs.google.com/spreadsheet/ccc?key=0ArjVP3yermuDdGtDUkVxZWpwMWdInmFWbnlYR2g2WHc&usp=sharing
**Uniform Shop Update** - Owing to the removal of signatures for verifying credit card ownership, the uniform shop will also be required to use pin numbers for all EFTPOS transactions. If you choose to send an order form with credit card details, you will now be required to provide your CCV code found on the back of the credit card on the order form. See the order form included on the website.

Size 8 & 10 jumpers now in stock! Please come to the uniform shop on Monday or Thursday during lunch time if you would like to purchase one.

**Contact List Update** - P&C is currently updating its email distribution list. If you would like to be included so that you stay up-to-date with what is happening, please email Muirfield.p.and.c@gmail.com and we will be very happy to add your name. If you would like to help out on any of our subcommittees, or simply be informed of what is happening, please let us know in your email.

**Ezicover** - Look for the advertisement elsewhere in the newsletter for recyclable, reusable book covers available in a variety of sizes and colours. These covers are much easier to use than plastic or contact, taking less than a minute to put on. They are made from some recycled materials and can be used over and over again. Order online and make sure you use the code given on the info sheet to ensure Muirfield receives 10c per book cover!

---

**Muirfield Student Awarded Member (AM) in Order of Australia**

**Muirfield Student Awarded Member (AM) in the General Division of the Order of Australia**

One of Muirfield High School's alumni was awarded the AM in the recent Queen's Birthday Honours List for significant service to science and innovation through health care systems.

Carolyn Patricia McGregor nee Bland was a student at Muirfield High School, completing Year 12 in 1986 and furthering her education at UTS Sydney whilst undertaking a cadetship with, at that time, St George Building Society. Professor McGregor is currently the Associate Dean of research in the Faculty of Business and Information Technology at the University of Ontario. The author of over 80 publications, she has developed computer platforms that provide clinical support, particularly in neo-natal care.

Muirfield students literally reach for the stars. Professor McGregor is currently developing health monitoring computer systems that will monitor the health of astronauts for NASA's mission to Mars in 2030.
Mobile Phone and Electronic Devices Policy

It is accepted that many parents wish students to have mobile phones in their possession during the school day and electronic devices can be a learning tool. For this reason there is no ban on possession at school.

The school only has an issue should a mobile phone or other electronic device be used inappropriately. Inappropriately means it:

- Disrupts or is likely to disrupt the school learning environment,
- Is used to bully or intimidate through calls, SMS, Text message, photographic, video, recording others without their permission, or other data transfer.

Theft or damage:
- Students should mark their mobile phone clearly with their names.
- To reduce the risk of theft during school hours, students who carry mobile phones are advised to keep them well concealed and not ‘advertise’ they have them.
- Mobile phones that are found in the school and whose owner cannot be located should be handed to front office reception.
- The school accepts no responsibility for replacing lost, stolen or damaged mobile phones. Students bring these devices to school at their own risk.

Inappropriate conduct:
- Any student/s caught using a mobile phone to cheat in examinations or assessments will face disciplinary action.
- Any student who uses vulgar, derogatory, or obscene language while using a mobile phone will face disciplinary action.

Students with mobile phones may not engage in personal attacks, harass another person, or post private information about another person using SMS messages, taking/sending photos or objectionable images, and phone calls.

To view Muirfield High School’s Mobile Phone & Electronic Devices Policy visit our website:

Geography comes alive

Year 10 Geography Field Trip

Coastal Management

Geography in Year 10 is the study of the Physical and Human environments in which we live and there is no better way of understanding these relationships than getting into the field. This is where the work done in class comes to life and theory becomes real.

The Field Trip

Students travelled to the Northern beaches of Sydney. Our first stop was to look at the entrance to the Dee Why Lagoon; this is an example of the interrelationships that occur along our coastal areas. Students looked at how humans have impacted on this area and what management processes are in place to help save this fragile area.

We moved to the sand dune area behind Dee Why beach to look at how the plants and animals have adapted to living so close to a major urban area. Native birds in a courtship display entertained us. Ms. Fleet gave us an idea of why the native birds are surviving in this area, a clear link with keeping as much native vegetation around as possible.

We then took the long walk up to Long Reef lookout and despite some tired legs as we got to the top the students agreed that the view was spectacular.
Students recorded information about the atmospheric conditions, wave refraction, level of human development and the associated changes to the natural environment.

They gained, first hand an understanding of how fragile our environments are and the real need to manage these areas in the best possible way.

At the lookout at Long Reef we saw evidence of rabbits and Indian Mynah Birds, both introduced species in Australia and causing issues with the native flora and fauna.

Many students commented on how clean the water looked and this is an indication that the clean beaches programs that are in place are working.

As we walked around to Collaroy beach the students all agreed that the weather was fantastic and that this added to them enjoying the study of geography even more.
Students also went down onto Collaroy beach and looked at the surf zone, wave heights and long shore drift. They recorded measurements in this area as well. Looking at the amazing sight of an apartment block built right on the beach made them think about the poor decisions made in the past. Their comments about the stupidity of this decision means that the future of urban planning will be in much safer hands in the future.

As we made our way back to school the students completed their worksheet to be submitted as part of their assessment in geography.

The students were quite enthused about being out in the field and asked, “When can we go again?” They are to be congratulated on the good behavior and the enthusiasm with which they approached the day.

Thanks also to Ms. Fleet, Mrs. Eagle and Mr. Reed.

Ms. Anderson
Head Teacher HSIE.
Sports Update

Congratulations to the following athletes who competed in the Sydney West Cross Country held on June 11:

12yr Girls
Anastasia Trohidis - 6th
Aideen Keane - 29th

12yr Boys
Matthew Mroczkowski - 32nd

13yr Girls
Kelly Halton - 35th

13yr Boys
Nathan Wright - 4th
Nick Jooste - 14th
Jared Edwards - 27th
Joshua Zann - 51st

14yr Girls
Bailie-Rae Woods - 8th

14yr Boys
Nathan Bicerra - 32nd
Samuel Longo - 35th

15yr Girls
Rebecca Wright - 2nd
Laureyn Brown - 3rd
Keeley Roberts - 15th
Sabrina Trohidis - 26th

15yr Boys
Bradley Wright - 1st
Nick Thomas - 5th

16yr Girls
Emma Longworth - 6th
Rachael McAllister - 12th
Carly Vanden Dool - 27th
Stephanie Vorreiter - 35th

Muirfield came 8th overall and our 16yr Girls Team of Emma, Rachael, Carly and Stephanie came 1st.

Congratulations to Kieren Briggs who competed in the Sydney Brumbies team in the State CHS AFL Championships this month. The Sydney team came 5th overall against some extremely strong competition.

Grade Sport results
Round 6 Winners: Boys Soccer 15A, Boys Soccer 15B, Girls Soccer 15, Girls Basketball 15B, Girls Touch 15A
**Zone Athletics carnival**

On Tuesday 10th June Muirfield High School competed on Day 1 of the Zone Athletics Competition at the International Athletics Track at Homebush. Despite the inclement weather on the day of the carnival, Muirfield students competed to the very best of their ability in all of their events. Their results have Muirfield currently placed in second position overall. Despite the less than ideal weather for athletics, all of the Muirfield Students turned up ready to compete and represent the school. Their efforts and the high level of participation from all of our athletes on the day has us extremely well placed against more fancied opposition schools. Being the smallest school in the Sports Zone, with almost 500 fewer students than the school currently sitting in first position, we are doing well.

Rebecca Wright, Brad Wright, Lauren Brown, Emma Longworth, Rachael McAllister, Nick Welsby, Luke Jacobs, Tom Hunt, Joanne Selmes, just to list only a small handful of students who all excelled on the day for Muirfield High School, succeeded well above expectations.

We hope that the success continues for all students on Day 2 of the Zone Carnival in Term 3. A final competition report will appear in the first Newsletter of Term 3 from Mr Edmondstone and Ms Nettle. Good luck to all of our competitors. Continue the outstanding effort.

**Nick Welsby, Year 11 and Rachael McAllister, Year 11**

---

**2014 Futsal Regional Championships**

Muirfield entered 2 girls teams in the Under 14 Regional Futsal Championships held at Dural Indoor Sports Centre. There was a Year 9 team and a combined Year 7 and 8 team. Both teams performed with the usual Muirfield spirit and sportsmanship. The Year 7 and 8 side which included an number of 12 year olds, grew in confidence as the tournament progressed and made it to the semi-finals where they were very unlucky to be beaten by an extra time golden goal.

It was an enjoyable day for all the girls whose endeavour and behaviour was a credit to both themselves and Muirfield.

Well done girls!

Year 9 Team: Maddie Kiner, Lotus Johnson-Fischer, Monique Johnson, Rachael Lobasso, Abi Power, Tai George, Elise Williams

Year 7 & 8 Team: Karla Wise, Tahlia ozcan. Shondell Akabue, Petria Welsby, Lily Tomlin, Kahleah Scott, Aideen Keane

**Mr Edmondstone**
2014 Futsal Regional Championships

Four teams of 7 players participated in the 16’s Girls and 16’s Boys Regional Futsal Championships, held at Dural Sports and Leisure Centre early Wednesday and Friday mornings respectively. All Muirfield teams fielded competitive sides, aiming to once again represent the school with great pride and passion.

All matches were very competitive and usually came down to just a goal or 2 either way. Teams that we competed against included: Marsden High School, Cherrybrook Technology High School, St Marks Catholic College, Epping Boys High School, International Football School, Galston High School, Quakers Hill High School and Cheltenham Girls High School.

Despite a positive win loss record for most of our teams, the structure of the tournament was set that the winner of each pool went through to the quarter finals, meaning we narrowly missed out several times.

All four teams fought valiantly for the title and the chance to represent the school in the State finals. Better luck next year, guys!

16 Years Girls Teams; Emma Longworth, Abbey Ryan, Venus Parfait, Rayann Warwar, Tara Arrow, Emma Moran, Chloe Holman. Clare Bickham, Tamara Blakeley, Oliviva Xegas, Karla Wise, Lara Tomlin, Phoebe Gray.

16 Years Boys Teams: Nathan Bicerra, Karl Bowry, Jole Drinkwater, Kieren Briggs, Luca Crisanto, Jake Richards, Tom Good. Ben Stollery, Amir Nikibin, Shab Saqqaf, Josh Bednar, Andrew Milne, Isaac Di Matteo, Nick Thomas

Mr Wilcox

Trade Readiness Courses

This term, three Year 9 students, Tom Brown, Ben Ellis and Mitchell Turnbull, participated in a week-long Trade Readiness Course offered by TAFE. All the boys thoroughly enjoyed themselves.

Ben: It was cool. First few days were boring but better once we did prac. Cool!

Tom: Really enjoyed it. Awesome!

Mitchell: It was long hours but definitely worth it. Awesome!
Liquor laws and Under 18’s

In NSW, laws regulate the sale, consumption and provision of alcohol to people under the age of 18 years (minors). These laws are covered in the Liquor Act 2007 and the Summary Offences Act 1988.

**Liquor Act 2007**

**Part 7 Special provisions relating to minors (those aged under 18 years)**

**Section 117 Offences relating to sale or supply of liquor to minors**

1. **(1) Selling liquor to minors**
   A person must not sell liquor to a minor.
   **Maximum penalty:** $11,000 or 12 months imprisonment (or both), or an on-the-spot fine of $1,100.

2. **(2) Supplying liquor to minors on licensed premises**
   A person must not supply liquor to a minor on licensed premises.
   **Maximum penalty:** $11,000 or 12 months imprisonment (or both) or an on-the-spot fine of $1,100.

4. **(4) Supplying liquor to minors on other premises**
   A person must not supply liquor to a minor on any premises other than licensed premises unless the person is a parent or guardian of the minor.
   It is a defence to a prosecution for an offence under subsection (4) if it is proved that the defendant was authorised to supply liquor to the minor by the parent or guardian of the minor.

---

**Police, Parents & Principals Forum**

**Drugs, Alcohol and Young People**

Providing parents and teachers with the opportunity to hear from the keynote speaker on how to deal with teenagers who are faced with drug and alcohol issues.

Featuring Paul Hills as keynote speaker.

**SAVE THE DATE!**

Paul Hills from Drug and Alcohol Training Australia. Paul has been working in the area of drug education for the past 27 years. Through his own business, DARTA, he has been invited by police, local government and education authorities throughout NSW to speak on drug education within the community. For more information please contact Senior Constable Bob Patterson (Youth Liaison Officer) from the Hills Local Area Command.

PH: 9681 5399
Peer Tutoring Day

Last Friday 13th June, our group of 22 Year 9 and 10 students gathered in the Library with Ms Kelly from Lidcombe TAFE, and Mr Chivers our co-ordinator, for our second and final Peer Literacy Tutoring training day. The program consists of each Year 10 tutor being paired with a Year 7 tutee and working through roll call and five minutes into first period, four days a week. This is soon to be increased to five as a result of our discussions. Throughout this program we have faced some challenges and have had many positive experiences. During our training day we were able to discuss the things we and our tutees have found difficult so far and how we can best change them. We also got the opportunity to share with Ms Kelly, Mr Chivers and the rest of the group how much our tutees have grown in many ways over the past term. We have watched our tutees improve in areas such as confidence, reading, science and grammar, as well as creating a friendship with our tutees.

Ms Kelly and Mr Chivers helped us find ways we can maintain the progress we have been having in our sessions, by focusing on things our tutees are interested in and reflecting on what we achieved each week. As a group we reflected on the program so that we can change it in some ways in order to cater to our tutees specific needs.

With the support of Ms Kelly and Mr Chivers our day was very productive, and a very good learning experience.

Katherine Corrigan, Year 10

Muirfield School Band

On the 31st of May the Muirfield School Band were invited to perform at the Murray Farm Cracker Night Carnival. This annual tradition is a major fundraiser for Murray Farm, and Muirfield were very happy to help as it gave our band students another opportunity to show off their skills. The musical selection was very well received by the large crowd, and Steve Lavis (conductor) and all members of the band are to be congratulated.

KIDS’ WINTER CAMPS 2014

Learning and fun outdoors!

Looking for a fun and healthy school holiday activity that won’t break the bank? Get your kids off the couch and head to the rink with a Sport and Recreation Centre Winter Camp program!

Sport and Recreation Centres are government-run facilities. These overnight and half day winter camps are held in great Australian bush and coastline locations for kids aged 5 to 10.

See your child blossom

Our programs use challenging, adventure activities to help kids develop, learn new skills, self-esteem and social skills.

Under the supervision of friendly and qualified staff, comparing these age-appropriate challenges can help kids develop confidence as they master new skills and skills new hands.

Our affordable school holiday packages include all activities, accommodation, activities and a 7 day/night programme. Support transport is also available to and from most camps.

Sport and Recreation Centres: getting kids active outdoors for over 40 years.

Active learning for life...

Junior Cricket
We have teams in every age group. Family discounts apply.
Under 10’s (Modulated rules) play on Saturday mornings 8:30am-11:00am from September to March.
Under 11, 12, 13, 14, 15 & 16’s play on Saturday mornings 9:30am-12pm from September to March.

Senior Cricket
For ages 17 & over
Senior cricket is played on Saturday afternoons 1:30pm-4:15pm from September to March.
We normally field a minimum of 10 senior teams each year.

Junior training and grading will be held throughout August.
Senior training and grading also in August.

Whether you are a first time player or someone returning to the game, come & find out why we are the biggest club in the Hills District.
