“I like the friendship that exists between students and teachers at Muirfield. You have the opportunity to discuss ideas with teachers which helps you challenge your thinking and learning.”

- Chosum, Year 12 International Student, 2016
Academic Acceleration

Muirfield has a strong focus on information technology. Students talented in the study of IT are accelerated in the HSC Information and Digital Technology course.

Acceleration is considered in other courses for students who have particular gifts. For example in 2015, Zhuoqun Huang, a Chinese international student from Zhengzhou, was accelerated in HSC Mathematics. He achieved 100% in his Mathematics Extension 1 HSC examination.

Other programs

- Rich extra-curricular activities including music tuition and concert and stage bands and small ensembles.
- Public speaking and debating teams.
- Strong sporting culture with students competing at regional, state and national levels in a range of individual and team sports. After-school golf program at local private golf course.

Student Support

At Muirfield we provide a safe and happy environment for our young people to learn.

- International students have their own home room and are supported by an International Student Coordinator, ESL teacher and Chinese-speaking ESL teacher.
- The Welfare Team supports all students. Led by the Welfare Coordinator, the team consists of the Head Teacher Senior Studies, School Counsellor (a trained psychologist), Careers Advisor, Year Advisors and teacher-librarian.
- Small class sizes. Average size in senior classes is fewer than 20 students.
- Leadership and community service programs assist students in developing leadership, team work and communication skills.

High Academic Achievement

Our students demonstrate outstanding results in standardised tests and the HSC. Over 70% of our HSC students gain university entrance.

Past results:

- 2015 Top ATAR 98.25
- Jeffrey Ting, Dux 2014, ATAR 99.50. Jeffrey is Chinese born and studied ESL English.
- In 2015, 10 courses had 100% of students in top 3 bands, including Software Design and Development.
- Students placed 2nd & 9th in state in Information & Digital Technology in 2014. (This continues our outstanding results in ITD. In 2013, students were placed 1st and 4th in the state in ITD.)
